Century Skills Certificate Program PD Course List

Do you believe 21st Century technology is important to both you AND your students' success? Are you looking to upgrade your skills?

If you've signed up and taken classes toward the 21st Century Skills certificate, here is a list of upcoming Professional Development trainings available from NWOET. Call 800-966-9638 for more information about these classes or visit <nwoet.org/coursework> and look for the '21st Century Skills' logo for qualifying classes. Instruction will be offered both online and face-to-face, and will include many of the NWOET events and trainings.
