# Ed Tech Solution Suite

**Professional development bundled with the equipment packages most requested by teachers**

In an effort to bring cutting edge technology to our members with the high quality professional development our teachers deserve, Ohio Ed Techs have created a suite of solutions to ensure effective implementation for your districts educational technology needs. Each Solution Suite includes professional development, equipment, and training materials. Due to the changing world of technology, Ohio Ed Techs reserve the right to substitute a product model of equal or greater value than the model(s) listed. Contact your local Ed Tech Center for more information, including membership discounts where available.
