

2019 NWOET Professional Development

Schedule any of these workshops IN YOUR DISTRICT!

Phone: 800-966-9638

Email: nwoet@nwoet.org

Web: www.nwoet.org/profDev/

You are encouraged to bring your own device whenever possible to face-to-face events.

If you are not sure about the NWOET membership level of your district or school, view a list by county at <http://www.nwoet.org/members/schools/>. If you don't see your school listed, a membership contract was not received for the 2018-19 school year as of 9/10/18. A copy of the membership contract can be downloaded at <http://www.nwoet.org/members/memberlevels.php>; a membership level benefit table can be viewed by scrolling down on that page.

(to be completed by Fri., Apr. 5)

Registration deadline: Tues., Feb. 12

(to allow time to order robot)

Grad Credit: \$399 for Dash Robot PD Bundle and 1 semester hour graduate credit

Certificate: \$199 for Dash Robot PD Bundle and 15 contact hrs. certificate

The focus of this professional development opportunity is upper elementary/middle school, but can be used at any level as an introduction to coding, robotics or an expansion of existing instruction such as Code.org, Scratch, and MakeyMakey. Includes DASH robot to take home!

FACE-TO-FACE

Computer Science Comes Alive: Code.org

Thurs., Mar. 7, 8:30 am - 4:00 pm

FREE – NO CHARGE for this training!

Code.org® is a non-profit dedicated to expanding access to computer science, and increasing participation by women and underrepresented minorities. We must have 20 registered to hold this event; REGISTER ASAP!

Chromebook & Chrome Browser Strategies

Fri., Mar. 1
Still not sure about how you and your students can make the best use of this device? We'll share tips and strategies as well as show you how to make the Chrome browser even more powerful with FREE extensions.

Even More from Google

Fri., Feb. 1
We'll explore more Google tools that can increase educator and student productivity beyond the Docs: Keep, Hangouts, Chats, Groups, Mail, Calendar, YouTube playlists, Images, and more. For the intermediate/advanced user.

Future Ready: Preparing Students for Success

Tues., Mar. 26
\$99 for NWOET basic and non-members.
FREE for administrators & district leaders from any NWOET comp. member school

Is your Future Ready assessment and action plan stalled? From completing the self-assessment to implementing an action plan, let NWOET help you prepare your students to be Future Ready! Training includes:

- Understanding components of the Future Ready self-assessment
- Completing self-assessment working session
- Reviewing your assessment results

G Suite Basics

Mon., Jan. 21 and Mon., Mar. 4

Start at the beginning with Docs, Sheets, Forms, & Slides. Get comfortable with

ONLINE

Success In Six

Dates: Mon., Feb. 18-Fri., Mar. 22

(Registration deadline - one week prior to first date of course)

Grad credit: \$259 (1 sem. hr. - no project required);

\$499 (2 sem. hrs. - project required)

Contact hours: \$59 (18 hrs.); \$99 (30 hrs., project required)

Success in Six is a self-paced online learning program that shows you ways to use digital resources to support 1:1, blended learning, personalized learning, differentiation, and a host of other student needs. Call NWOET at 800.966.9638 to register. Go to <http://success.infohio.org> to access the online course. (Note: 3-hour certificate will print after each individual module at NO CHARGE. No registration is required for this option. Check for acceptance with your LPDC.)

editing, sharing, and organizing these online productivity tools within Google Drive.

**G Suite Intermediate/Advanced
Mon., Feb. 4 or Tues., Apr. 9**

After a quick review of G Suite components, you'll receive tips for advanced docs features and then delve into Add-ons, Drawings, templates, and even more.

**Gamification 101: Basics and Brainstorming
Mon., Mar. 18**

Learn how 'video games' are transformed into powerful learning strategies through "gamification", and how this might impact your classroom now, and in the future. We will work through different aspects of gamification to transform your classroom.

**Gamification: Building a Lesson
Tues., Mar. 19**

Engaging in play is essential to our social, emotional, physical and psychological development. Normally we despise the idea of playing games in our classroom due to the negative connotation of video games and play. Come learn how to put together the pieces of a video gaming/play curriculum for your classroom using G Suite tools.

**Google Classroom Basics
Tues., Jan. 22 or Thurs., Feb. 28**

Google Classroom can help improve student performance, while preparing students for online testing – even before you are 1:1! Learn how to set-up YOUR Classroom courses in this five-hour training.

**Improving Your Students' ACT Scores
Thurs., Feb. 7 or Tues., Apr. 30
(½ day - 9 am - 12 pm)**

**\$99 for NWOET basic and non-members.
FREE for administrators & district leaders
from any NWOET comp. member school**

We'll review this assessment and spend hands-on time creating online assessments you can use in your classroom. We'll also take a look at what has changed in the both the SAT and ACT, followed by strategies and resources to help students prepare. For administrators, guidance counselors, and teachers.

**The New Google Sites
Mon., Jan. 28 or Thurs., Feb. 21**

With the new Google Sites, building websites is easy. In this hands-on training you'll create a one-stop destination for all important information, including videos, images, calendars, presentations, documents, folders, and text.

**SmartPath Teacher Training
Mon., Feb. 25**

Time: 9 am - 2 pm.

Cost: FREE face-to-face training

Simple and fun lessons that bring economic and financial education to life. Units teach students about personal financial responsibility.

**STEM: Makey Makey – Become a Digital
Inventor
Wed., Mar. 13**

Receive a Makey Makey digital controller starter kit to take home! Discover how digital controllers and computer programming impact almost every aspect of our lives. The training

includes an introduction to using the "Scratch" programming language. Want to do more? Continue learning in our 'Coding with Scratch' workshop Wed., Mar. 20. No previous experience needed, designed for teachers grades 3-12. PRICE of training INCLUDES MAKEY MAKEY STARTER KIT, TOO! (Registration deadline: Wed., Feb. 20 to allow time to order starter kit)

**STEM: Coding with Scratch
Wed., Mar. 20**

Code your first program in just 15 minutes using the SCRATCH language. In this hands-on session you will learn how to introduce coding to students, and what types of coding are being taught in K-12 and college.

**Strategies for Teaching with G Suite Tools
(Elem.)**

Thurs., Mar. 14

This training will focus on strategies for using the G Suite tools (Docs, Sheets, Forms, Drawings, Slides, and more) in the K-6 grade classroom. Attendees will leave with a new portfolio of lesson ideas, templates, and new resources for using G Suite with their students.

**Strategies for Teaching with G Suite Tools
(MS/HS)**

Fri., Mar. 15

This training will focus on strategies for using the G Suite tools (Docs, Sheets, Forms, Drawings, Slides, and more) in the 7-12 grade classroom. Attendees will leave with a new portfolio of lesson ideas, templates, and new resources for using G Suite with their students.

FREE PD FOR ALL OHIO SCHOOLS

Administrators & District Leaders

There is **NO COST** for administrators and district leaders from any Ohio school. Advance registration is required.
