1:1 – Making It a SUCCESS!

Discover 5 simple strategies to make investment in 1:1 improve performance for ALL students and learn why the devices need to go home with students EVERY night.

3Rs – Making Learning Matter

Learn about this new program from NWOET that integrates the three things critical to instructional design with technology: relationships, rigor, and relevance.

ACT & SAT Tips – Raise Scores 10% or More!

Discover how most students can increase their ACT score by 1 to as much as 5 points, plus how graduation goals and financial savings impact a decision to retake the ACT. We'll also take a quick look at what is changing in the both the SAT and ACT, followed by strategies and resources to help students prepare (focus on ACT).

Boost Early Elementary Reading Skills Using Touch Screen Devices

Learn the research and best-practice strategies for helping make the most of technology resources and tools using touch screen devices: iPads, Chromebooks, Android tablets, and laptops.

Building Relationships with Technology

Positive relationships are linked to engagement. When students recognize that instruction focuses on them personally, it bonds them to their community, district,

teachers, and peers. Experiencing this bond, students engage positively with their learning. Learn about a program that integrates the three components critical to instructional design and social/emotional learning: relationships, relevance, and rigor.

Chrome Extensions

With Google Chrome, the most-used Web browser worldwide, learn the benefits and how to use powerful extensions available free on the Chrome Web Store.

Chromebook 101

Discover the most effective strategies for using the Chrome browser, extensions and many features of Chromebooks including limitations and challenges.

From Recall to Research – How Instruction Is Changing

How do you design instruction and create assessments when every student has unlimited access to information? Take a look at the best research, best practice and best guesses about what our classrooms will look like in the year 2025 and beyond. *Pre-requisite:* RU Ready for Fall 2022 or experience in a 1:1 district strongly recommended before enrollment in this class.

Flipping Your Class

Learning beyond the four classroom walls is transforming how we use class time. See how you can begin your “Flip”!

Gamification 101

Learn how ‘video games’ are transformed into powerful learning strategies through “gamification”, and how this might impact your classroom now, and in the future. Come learn how to put together the pieces

of a video gaming/play curriculum for your classroom using Google Workspace tools.

Google Educator Certification (hybrid) *Grad credit available.*

This training will assist your staff to validate their expertise in the fundamentals of Google Workspace and technology implementation skills to earn their Google Educator Level 1 Certification.

Google Workspace for Education

NWOET staff can provide training at all levels on the tools that are part of the Google Workspace package from Docs, Slides, Sheets, and Forms to Sites and more.

Internet Safety & Digital Citizenship

Learn about free tools which you can use in place of Learning.com to meet your E-Rate requirement and still help keep your students safe and responsible online.

Internet Safety for District Leaders

For district leaders, this workshop looks at what to do when a threat to student safety appears on social media, email or web browsing history. We will discuss practical policies, decision points, staff PD, and help you review your response plan.

INFOhio: Invaluable Resources for All Students

Explore the world of INFOhio that transforms student learning by providing equitable access to quality resources and cost-effective instructional and technical support for each student, educator, and parent in Ohio.

INFOhio Learning Pathways Training

This session will introduce the new INFOhio Learning Pathways ages 3-5, grades K-5 and 6-12 to educators who wish to delve into the INFOhio learning resources available all teachers and students. Additional Learning Pathways include “Building Your Digital

15 Hour Professional Development Certificate – \$99

Participate in any NWOET advertised professional development event and extend the learning by completion of a project-based experience using tools and strategies.

For information or to register go to:
<https://sites.google.com/nwoet.org/project>.

Curriculum” with INFOhio OER, BLUE-cloud, and iPartner units.

INFOhio Professional Development

Learn about flexible, personalized training and professional development to support the use and integration of INFOhio’s digital content and web tools. INFOhio Campus, Educator Tools, Open Space, Learning Pathways, Success in Six, Capstone Connect, and iPartner program will be explored.

Jumping on Board with Google Classroom

Google Classroom can help improve student performance, while preparing students for online testing – even before you are 1:1!

Keeping Students Safe Online: Grades K-5

Discover the most popular FREE resources for teaching students how to be safe online, deal with online bullying, plus tips for keeping your own online and social media information safe. Includes guided hands-on time with tools and learning games from Google, Common Sense Media and NetSmartz to help you decide what will work best for your students.

Keep High School Students Safe Online

Digital citizenship and Internet safety are critical life-long practices needed by students in grades 9-12. This training will cover topics facing youth today, such as online exploitation, sexting, cyberbullying, and piracy. In addition, educators will learn online tools that can be used to meet your E-Rate requirement.

Microsoft Office 365 & OneDrive for Beginners

Office 365 a great tool to use with your classes to share documents and presentations. Students can also collaborate with you and their classmates using OneDrive, which gives them access to the Office suite of programs. You will learn how to use 365 Word and Excel, create email distribution lists, and how to use OneDrive most efficiently.

More than Words: Students Voice Using Photos, Movies and More!

Students become engaged when they can share their feelings, thoughts and experiences through images, videos and sound! Discover

(or re-discover) how to use the tools available on every Chromebook to help students express themselves through words, images and video! Bring your Chromebook for this hands-on learning experience!

PBL: Basics of Creating Authentic Lessons that Encourage Student Voice & Choice

Want to help your students develop the qualities that signify them as ideal citizens and create engaging lessons that can transform learning in your classroom? Problem Based Learning can help you achieve that. Come and engage in various activities to learn the design and teaching elements for Gold Standard Problem/Project Based Learning.

Ramping Up Students’ Online Test Skills

Use of online assessments (i.e. Google Forms, Schoology and Socrative) makes it easier to transform paper tests into online versions that support over 80% of the formats seen in online testing by ODE, ACT and more. If you are not sure how a checkbox differs from a radio button, and what writing prompts mean ‘3 paragraphs or more,’ this training is for you!

RU Ready for Home Internet Fall 2022 ?

What will change in our learning when EVERY student has a device, and virtually EVERY home has Internet? Find out in this brief fact-based presentation and discussion of how to prepare our teachers, students and parents for this new reality.

Social Media & Student Safety

For district leaders, this workshop looks at what to do when a threat to student safety appears on social media, email or web browsing history. We will discuss practical policies, decision points, staff PD, and provide a checklist to help you review your response plan.

Taking the Dread Out of Research for Students – and Teachers

We’ll explore strategies to help guide your students through the research process with the use of free online tools including the R4S online course, rubrics, citation builders, and use of INFOhio’s iSearch.

Tech Planning for District Leaders

Every Student Succeeds Act (ESSA). We will take a look at trends in technology use – not only at K-12, but also in colleges and industry, and help you develop YOUR 3 to 5 year plan. In addition, we’ll introduce the new curriculum audit tool developed by

NWOET to help your teachers evaluate if the course they are currently teaching includes the specific standards included in the model curriculum as adopted by the Ohio Department of Education.

Technology Course Review for District Leaders

Are your courses teaching the skills students need to succeed? Receive a free technology curriculum planning guide along with an introduction to the NWOET Curriculum Review tool and learn how to use this tool to evaluate your courses.
