

NEW LEARNING OPPORTUNITY!

NWOET TechEvolution

● **Collaboration with educators to find a meeting of the minds**

● **Exploration of software/hardware/curriculum integration technology**

● **Interpretation of network/internet WiFi functionality, security, home internet and system analysis**

Educational technology is constantly evolving and your district's technology plan must be prepared to keep advancing into the future.

NWOET can help!

Our TechEvolution program will explore your current technology, collaborate with your educators, and interpret the results to provide you with "Your Evolution Plan" for your district's future.

Technology Evolution for YOUR District:

FREE 1-hour consultation on your tech needs (one/district)

\$3,500 TechEvolution analysis. Satisfaction guaranteed!

- Conversations with teachers and administrators
- Tech Department Brag Report
- Tech Suggestion Report
- Power PD Plan
- 3 days of in-district implementation support (up to three visits of 3-5 hours each)
- Evolution analysis, PLUS 15 add'l hours in the district

Call NWOET at 800-966-9638 for more information.
